

BLOCK YOUR DATES !!!

6th International Conference & Hands-on Workshop on NBI / ESD & Third Space Endoscopy

Under the aegis of

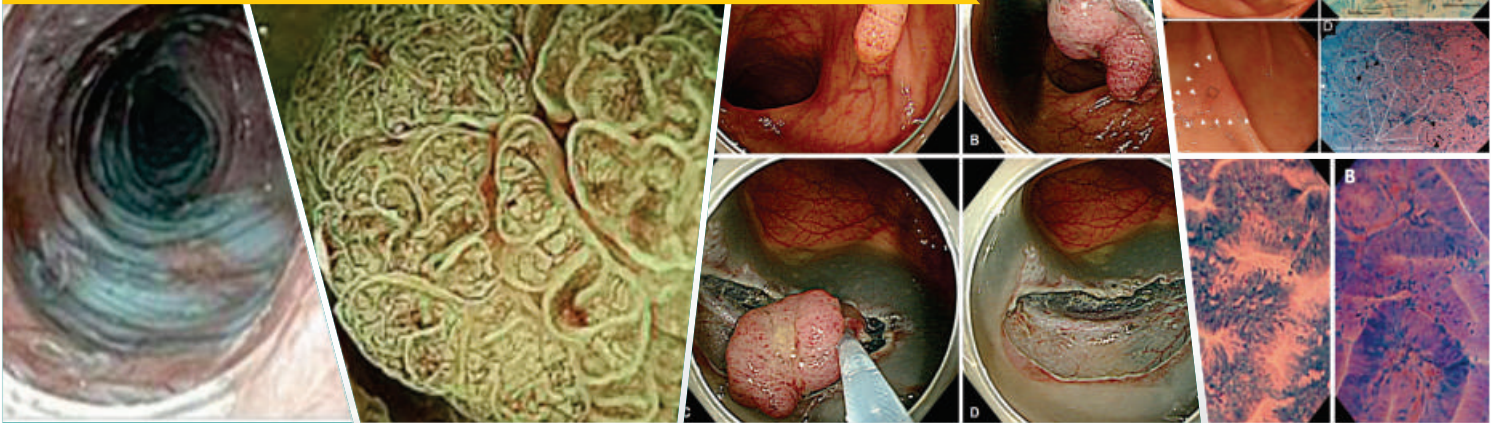

Organised by

28th & 29th March 2020

Venue : Hotel J W Marriott, Pune

International Faculty

Prof. Philip Chiu,
Hongkong

Dr. Seiichiro Abe,
Japan

Dr. Amit Bhatt
USA

Dr. Masashi Misawa
Japan

Dr. Rajvinder Singh
Australia

Program Highlights

- 2 days of intensive Live Demonstrations and Hands on training in NBI, ESD, Third Space Endoscopy
- Special live demonstration of Endocytoscopy and EndoBrain (Artificial Intelligence for polyp characterization)
- Live demonstrations of NBI, EMR, ESD & Third Space Endoscopy procedures
- Video lectures, symposia, debates & panel discussions by International & National Masters
- Accredited by ANBIG (Asian Novel Bio Imaging & Intervention Group)
- Hands on training on specially designed porcine models for ESD&POEM
- Live demonstration of new procedures - Endocytoscopy, EFTR, GERDx, POEM-F, PREM, POETRE, endoscopic suturing etc.

Welcome Message

Dear Friends,

Wish you a very Happy New Year 2020!

It gives me great pleasure to announce our **6th Annual International Single Theme Conference on NBI/EMR/ESD/Third Space Endoscopy and Hands-on training course** scheduled on **28-29th March 2020 @ J W Marriott, Pune.**

The highlights of this year's program include a special section on early detection including Endocytoscopy, EndoBrain and Artificial Intelligence (AI) in cancer diagnosis; in addition to our regular course curriculum on image enhanced endoscopy (IEE), resection techniques (EMR, ESD, EFTR, STER) and Third Space Endoscopy (POEM, G-POEM, Z-POEM, PREM, POETRE). Emerging technologies like Endoscopic suturing, Endoscopic Sleeve Gastroplasty (ESG) and Endoscopic Anti-reflux modalities like GERDx will also be showcased.

The course is supported & co-organised by ANBIIG (Asian Novel Bio Imaging & Intervention Group).

While maintaining focus on our core values of hands on training, the meeting this year will encompass all these innovations & developments. During this two-day course, there will be video lectures, symposia and live demonstrations related to IEE including Endocytoscopy & EndoBrain (AI), EMR & ESD, Third Space Endoscopy procedures and endoscopic suturing.

Daily hands-on sessions will be conducted at multiple parallel stations for ESD, POEM, GERDx and endoscopic suturing.

For conference registrations and other details, please write to us on **freendoscopy@gmail.com** or **call us on +91 99215 33381.**

Please note that for registration to hands on sessions, participants need to send a separate email on **freendoscopy@gmail.com** stating their preference of sessions. No other mode of communication will be accepted. Each participant can register for two hands-on sessions of their choice (strictly allotted on first-come basis); and participants can register for additional sessions if slots are vacant. Please refer to the registration form for details of Hands-on sessions.

We look forward to welcoming you to Pune in March for this annual endoscopic surgical bonanza.

Warm regards,

Amol Bapaye
Course Director
